General

The Milkman Triathlon, Inc., 33rd Annual, is a three-sport event, starting with a 0.5K swim, followed by a 20K bike and finished with a 5K run. An individual may compete as a soloist, doing all three sports, or three people can form a relay team with each person doing one of the sports. The team must include a member of the **opposite sex**. Soloists may also swim on a team, subject only to the solo fee.

This is a USA Triathlon sanctioned event. All their competitive rules apply, including good sportsmanship, fair play, and FUN! You are solely responsible for the safe condition of your equipment. For increased security of your equipment, please allow a few extra minutes to check in and check out of transition area.

The Course

Swim: Loop Course (0.5K)

- 1) Swimmers must wear official swim caps. Be sure race numbers are positioned on sides of head.
- 2) Water temperature is expected to be approximately 75 degrees F. Wet suits optional.
- 3) Lake Van is reasonably shallow with no sudden drop off at the start or finish. The loop will be separated by a buoyant lane rope 250 meters long, with marker floats at 10 meter intervals.
- 4) Wave starts will be used to fairly distribute participants over the course. Combinations of age groups will depend on number of entrants. Overall placings will be determined by adjusted times. Please gather by the appropriate wave marker between the pier and the Lakeside Cafe at 7:45 AM.
- 5) The start will be with swimmers standing in the water, with one hand on the pier.
- 6) Aid can be summoned during the race by vigorously pumping an upraised arm.

Bike: Out and Back Course (20K)

- 1) For your safety and the security of your equipment, contestants only in the bike corral, please. You will have a reserved, bike space.
- 2) CPSC approved helmets must be securely fastened and worn at all time on the bicycle. Penalty outside transition = DQ; inside transition = variable time penalty.
- 3) Cyclists are responsible for the safe maintenance and operation of their bicycle.
- 4) Mount bicycle only after crossing line at chip timing mats.
- 5) Motor vehicle traffic will be limited on course to residents and emergency vehicles. No personal support vehicles.
- 6) No drafting off another bicycle or motor vehicle. You should overtake and pass within 15 seconds or remain outside the 2M x 7M zone. Violation results in a variable time penalty.
- 7) Stay right, except to pass. Crossing center of road is a disqualification.
- 8) Cattle Guards - one on course.
- 9) Be alert for some rough pavement.
- 10) The turn around point is on a very narrow portion of the highway. A very slow 180 degree turn is required.
- 11) Filled water bottles will be handed up immediately after turnaround point.
- 12) Reduce speed when approaching bike corral, stop and dismount, before crossing line at chip timing mats, and rack bike at your space before starting run.
- 13) No headphones.

Run: Loop Course (5K)

- 1) Runners may run or walk the course.
- 2) Pace or escort runners are not allowed.
- 3) Race numbers must be worn on the front and be visible at all times. You must wear your number across the finish line.
- 4) Stay in order of finish until checked through finish chute.
- 5) Remove Timing Chip
- 6) No headphones.
